Princeton Theological Seminary
Society of Inquiry. Standing
Committee. v.1

Accounts and Transactions of the Standing Committee of the Society of Inquiry of the Theological Semy. Princeton N. J.

Duties of the Standing Com.ᵉˢ

The duties of the Stand'g Com.ᵉ are defined, in a general manner in Art. XI of the Constitution, and Art. III of the By-Laws Sect's 8. 9. 10. It will however be found a convenience, by new incumbents of the office, to have a more particular specification of them, according to the discovery of experience.

1. They are entrusted with the care of the Reading Room, and will see that it is swept, and warmed, by the Sweeper of the Seminary, who is paid for that service, by the Soc.ʸ $7. per Annum.

2. Publications should be taken from the Post Office twice a day. The Post Master is instructed not to deliver them to others than the Com.ᵉ without their written order. If all the Com.ᵉ are absent from the Sem.ʸ in vacations, they will generall

find some one to attend to this part of their duty during that time.

3. Care should be taken in putting papers on the files, especially those ordered to be bound, that they be not torn & nor otherwise injured. Rules relative to the removal of periodicals &c from the table to their proper places of deposit, also respecting the lending of publications are posted up in the R. Room. Vide Canons Continual watchfulness will be found necessary to prevent publications from disappearing without leave. When any are missed, under such circumstances they should be forthwith advertised.

4. When a new publication is rec'd, not having been ordered, it is customary to report the same to the Board of managers on the reception of the third № & ask for instructions.

5 When the Subscription for a Periodical becomes due, which can be told readily by examination of the List, (vide other end of this book) the money should be remitted immediately without waiting for a Bill.

6 The Com^e make all payments, and obtain requisite funds by presenting their order to the Treasurer, signed by all the members, & specifying for what purpose the money is required. Vide Art. 3. Sect. 9. By-Laws.

7 It has been found most convenient for the Chairman of the Com^e to attend to the Correspondence, the making of orders on the Treasury, keeping the Pecuniary accounts, & writing the Semi Annual Report.

8 Papers not ordered to be bound are disposed of by the Com^e at Auction, at such times as they find convenient; usually three times per Annum.
